

# HOS AU (Electronic combustion control, Underpressure watcher)

Technical data  
Stand 2020/08

## N. Description

1	Control unit (incl. switch and cable 3,2 m)
2	Temperature sensor with ceramic casing (cable lenght 4 m)
3	Contactless door sensor (cable lenght 4 m)
4	Air flap according to set (cable lenght 5 m)
5	Wireless display
6	Chimney clamp $\varnothing$ 150-250 mm including holders for silicone tube (hose lenght 8 m)
7	Socket switch for ventilation device (cable lenght 8 m)
A	Ventilation device
B	Room air pressure
